OPINION & ORDER
04-cv-2864 (SJF)(ETB)

FEUERSTEIN, J.:

This breach of contract action was removed from New York Supreme Court, Suffolk County, on July 9, 2004. On September 22, 2004, Magistrate Judge E. Thomas Boyle issued a Report and Recommendation to the undersigned, recommending that the parties' request that the case be administratively closed be granted. Specifically, Magistrate Judge Boyle recommended that the parties be allowed to attempt to resolve the dispute by conducting a naval inspection, an independent inspection and possibly an internal government appeal process.

No objections were received to Magistrate Judge Boyle's Report and Recommendation. I therefore adopt the September 22, 2004 Report and Recommendation in its entirety. 28 U.S.C. § 636(b)(1); Fed. R. Civ. P. 72. The Clerk of the Court is directed to close this action, subject to restoration to the Court's active docket upon the application of any party prior to September 22, 2007.

IT IS SO ORDERED.
